Israel Tabs

This month we feature Israel Tabs. Stamps of Israel are printed in sheets with tabs (labels) usually attached below the bottom row, sometimes on the sides. Both parts must be present to qualify for with tab value. Stamps with only one part sell for about one-quarter to one-third of full tab prices. ~ 2017 Scott Stamp Catalogue

Thank you for taking a "tour" of *Israel Tabs* with us. These album pages have been prepared with items from the APS Reference Collection.

If you have duplicate stamps in your collection, please consider donating them to the APS Reference Collection to help us create future album pages.
